**WORKS GREAT UNDER HELMET**

**SOLAR PROTECTION FACTOR**

**COOL EFFECT**

**ANTIMICROBIAL**

**QUICK EVAPORATION & WICKING**

**DRYLINE TECHNOLOGY SUPER ABSORPTION**

The Halo Skull Cap and the Protex Bandana, are both great for athletes that prefer to train with a complete cap and need the extra performance that a cotton bandana can't offer. Our bandanas feature our patented SweatBlock Technology to lead sweat away from your eyes and face so you can keep focused. The ability to tie the sweatband is a favorite among our customers who prefer a custom fit. And the skull cap it's one of the most comfortable product of Halo. The smooth mesh top helps keep your head cool, even on hot summer days. This sweat skull cap is great for bicycling, lacrosse, football, hockey, motorcycling or on the job under a hardhat.

# HALO CYCLING CAP

**WORKS GREAT  
UNDER HELMET**

**SOLAR PROTECTION  
FACTOR**

**COOL EFFECT**

**ANTIMICROBIAL**

The lightweight Halo Cycling Cap has quickly become our favorite mountain and road bike riding gear. The cap fits comfortably under any helmet and the flexible visor keeps the sun glare out of your eyes. The cap can also be worn with the visor in the UP position. The smooth mesh top breathes well and it can be worn for year round comfort. The stretch fabrics allow it to be worn above or over the ears.
